2. **Review of Minutes:** The minutes for the last meeting held October 14, 2015 were reviewed. Joyce moved to approve the minutes as submitted and Mary seconded the motion. Motion passed.
3. **Applications to Review:** No new applications to review in committee.
4. **Update of Behavioral Analyst Committee:** The committee has been meeting and working on drafts of regulations to go with SB 254. Kansas Representative Ruben has requested some suggestions from BSRB for trailer legislation to fill the gaps left by the current statutes.
5. **Update from Supervision Training Review Subcommittee:** This subcommittee comprised of Camille, Joyce and Mary, passed along the recommendations to the Advisory committee. Currently the AAMFT requires 36 hours of “supervision of supervision” for this Supervisor status. It was discussed that the current recommendation for the subcommittee was for 15 total hours extra to obtain the “supervisor” designation. Perhaps this should be raised to 18 hours? It was recommended that 8 of these hours be “hands on”. Cheryl suggested that only a third of these 18 hours should be allowed for “supervision of supervision” as there should be some requirements on the Kansas statutes. Camille suggested a combination of these three requirements: 1. Supervision of supervision 2. Minimum of 8 hours of hands-on supervision 3. Kansas State statutes and regulations. Terry asked the subcommittee to look at these points again and submit the revisions at the next committee meeting.

One other area to look at is a grandfathering clause as a supervisor. Terry asked the committee for suggestions. Camille suggested limiting the “grandfathering period” to two years after this is passed. Max questioned whether or not that period of time was long enough. Terry said that the requests for grandfathering could come to the committee for approval. Cheryl wanted to make sure that whatever action was taken on this point that the action is consistent or comparable to what is happening with the social work and professional counselor requirements to become a supervisor.

The AAMFT requires all supervisors be approved by December of 2016. This is a 30 hour program. This program would qualify for the “grandfathering clause”. Mary is on the Board for KAMFT. KAMFT wants to develop a training program for the Kansas supervisors.

6. **Member for committee replacement:** Max will check with Leslie to check if an email was sent to the MFTs in the state to garner interest in joining the committee. (To replace Wes Jones)
7. **New Business:** No new business to discuss.
8. **Adjournment:** Next meeting is scheduled for Thursday, February 11 at 10:30 a.m. Cheryl moved to adjourn, Joyce seconded the motion. Meeting adjourned at 10:30 a.m.
