The RFP for a statewide needs assessment will be released in August. In addition the Board heard a presentation from Dan Tasset from Nueterra Capital on integration and consumer driven healthcare.

### **August 11**

The majority of the meeting was taken with the Treatment RFP application review. It was agreed by the Board to increase the amount of funding being made available from \$3 Million to \$6.2 Million in order to more adequately fund the projects outlined in the 71 proposals received. There were a lot of excellent projects proposed and the Board was able to award a little over \$6 Million to 35 applicant agencies. Notifications of awards will be sent out in the very near future.

The next meeting of the Board will be held on September 15 and will focus on the Prevention RFP.
