- V. Executive Director's Report.** David Fye, Executive Director for the BSRB, reported on the following topics:
- A. BSRB Staff Update.** As of January 4, 2022, all BSRB licensing staff are back in the office full-time. Investigators are using a hybrid model, working in the office three days each week and utilizing the BSRB Telework Pilot two days each week. The BSRB filled an open Administrative Assistant position at the end of December. The BSRB physical office was closed Wednesday, February 2, 2022, due to inclement weather, but most staff were still able to work remotely due to current technology.
- B. January Board Meeting.** The Executive Director provided updates from the Board meeting on January 10, 2022. The previous Board Governance Policy was last modified in 2011. In the fall, the Board recommended significant changes and the document has been replaced by two new documents: (1) an Expectations of Board Members Policy and (2) an Advisory Committee Policy. The Board discussed whether to pursue statutory changes to allow persons with more than one license to be able to renew their license at the same time. The Board was supportive of allowing syncing of the expiration date of multiple licenses, but not to make it a requirement. The BSRB will be working on proposed language to make this change.
- C. 2022 Legislative Session.** On January 11, 2022, the Governor provided the State of the State address. Legislation was requested on behalf of BSRB in the Senate Committee on Public Health and Welfare. The bill including the recommendations of the Board of the BSRB is Senate Bill 387. An announcement about the bill is on the BSRB website. The Executive Director provided a summary of the three items in the bill. The bill hearing was heard by the

Senate Public Health and Welfare Committee on Wednesday, February 9, 2022. Following the hearing, the Committee met to work the bill and amended out the Board's recommendation for the Licensed Psychology profession, then voted the bill out of Committee favorably for passage. The BSRB will be requesting the Senate work amended SB 387 on the Senate Floor prior to the Legislative "Turnaround" deadline.

- D. Budget Update.** The Governor's recommendation for the agency's budget was the same amount as the BSRB's revised estimates in FY 2022 and FY 2023. The budget for the BSRB was approved by the House Budget Committee and was reported out of House Appropriations Committee favorably with no changes. The agency's budget was heard by the Senate Transparency and Ethics Committee on Wednesday, February 9, 2022, and was reported out of the Senate Ways and Means Committee on Friday, February 11, 2022.
- E. Conference.** The Executive Director was invited to speak at the Federal Association of Regulatory Boards (FARB) annual conference in Fort Worth, TX, on the topic of Public Protection Through Creative Access to Information.

VI. New Business

- A. Training for the Board/Advisory Committee Members.** The Executive Director provided training to Board members and Advisory Committee members serving on the Advisory Committee, including an overview of the Expectations of Board Members Policy, the Advisory Committee Policy, Guidelines for Public Attendees of Meetings, and a summary of Board Member and Advisory Committee Orientation originally prepared by Assistant Attorney General Janet Arndt.
- B. Review of Responses to Social Work Survey.** In the fall, the Social Work Advisory Committee expressed interest in a survey being sent to all licensed social workers on supervision and other topics relevant to the profession. The Executive Director drafted potential survey questions and collected feedback at the Advisory Committee meeting on October 19, 2021. The survey was sent to all permanent social work licensees on December 16, 2021, via email using SurveyMonkey. The survey closed on December 20, 2021. One thousand eighty-seven social workers completed at least part of the survey. The Executive Director drafted a report concerning the responses to the survey, noted that the report had been posted to the BSRB website, and summarized the report for the Advisory Committee members. After reviewing information in the report, Advisory Committee members expressed support for members continuing to review the feedback to the survey for possible recommendations for legislation in the future.
- C. Committee work for the upcoming year.** Members of the Advisory Committee expressed interest in working on topics including clinical supervision, possible continuing education requirements in the area of Diversity, Equity, and Inclusion (DEI), and workforce shortages.
- D. Unprofessional Conduct Regulation.** The Executive Director noted Advisory Committee members received a copy of the unprofessional conduct regulations for the profession and asked members to review the regulations to be able to discuss whether any changes are needed at the next Advisory Committee meeting. The Executive Director noted the importance of Advisory Committees reviewing the statutes and regulations for the professions to make sure those documents do not contain outdated terminology and take into consideration changes in technology, such as social media and telehealth.

VIII. Next Meeting. Tuesday, April 19, 2022, at 1:00 p.m.

DRAFT

Advisory Committee Policy

Adopted by the Board on January 10, 2022

Purpose: A BSRB Advisory Committee, as a creation of the Board, has the purpose of supporting the Board in carrying out its mission to protect the public. Members serve at the pleasure of the Board. Actions pertaining to informing, licensing, and disciplining of those persons regulated by the Board are the methods for accomplishing the mission.

Process: An Advisory Committee fulfills its purpose by addressing issues referred to it by the Board through the Advisory Committee Chair or the Executive Director. A Committee may suggest issues it believes the Board should consider by referring those through the Chair of the Advisory Committee. When the latter occurs the Board has three courses of action from which to choose:

1. The Board can agree the issue needs to be addressed at the Board level.
2. The Board can agree the issue should be addressed and refer the matter to the appropriate person or committee for additional information, review, or analysis, which will then be brought back to the Board.
3. The Board can decide to not address the issue.

Structure of the Committee: Chairs of Advisory Committees will be members of the Board. If the profession is represented on the Board, the Chair of the Advisory Committee will be a Board member licensed in the discipline of the committee and appointed by the Governor to represent that discipline on the Board. Any other Board members appointed by the Governor to represent that discipline on the Board will serve as a member of that advisory committee. A public member of the Board will also be a member. There will be a minimum of three and a maximum of ten additional members appointed. The Executive Director will be a non-voting, ex officio member. The Assistant Director or Licensing Manager is encouraged to attend. The Assistant Attorney General representing the Board should attend meetings when their attendance is requested.

Terms for Advisory Committee members will be two years. They will be appointed by the Chair of the BSRB and can serve up to four terms. Appointments to the committee should be staggered to avoid having too many members of the Advisory Committee reach their maximum length of service at the same time. The policies and procedures under which the BSRB Board Members are expected to operate will apply also to the Advisory Committee Members. The Chair of the BSRB can remove members.

Selection: Members for the Committee may be nominated by anyone, including the public, committee members, members of a professional organization — either the discipline's own or other's — or through self-nomination. In reviewing nominations, the Committee should work to ensure that there is diverse representation including, but not limited to, geographic setting, gender, culture, and ethnicity. Members should provide representation of the levels of licensing for that discipline and those members should be selected from among public and private practitioners and educators.

The Committee as a whole discusses nominations and reaches recommendations on new members. The nominee's resume, a letter stating the reasons why he or she desires to be appointed, and a copy of the Board's mission and goals to which the nominee has indicated agreement, are reviewed. The Chair of the Committee will submit the Committee's recommendations for new members to the BSRB Board Chair. The Chair will review the recommendations and may request input before making a decision, which will be announced at a Board meeting.

After the appointment has been approved the Executive Director will inform the Advisory Committee appointee by letter or e-mail. The Executive Director may assist the new member by providing information, which will help orient the member to the Board's, and Advisory Committee's, role and function.
