RE: BSRB Complaint No. 11 MS 0034

Dear Ms. Bailey:

This office represents the Kansas Behavioral Sciences Regulatory Board. The Complaint Review Committee met on January 10, 2011, to review the above complaint against you. The Committee found probable cause of violations of K.S.A. 65-6310, a class B misdemeanor, and K.A.R. 102-2-7(a). Specifically, during your online renewal, you indicated that you had completed the continuing education requirements for your license renewal. While you did complete the requirements, they were completed after the renewal date.

The Board has determined the appropriate sanction on this complaint to be a Formal Censure pursuant to K.S.A. 74-7508(f). You should consider this letter to be the Formal Censure. This sanction will not affect your ability to practice masters level social work in Kansas.

Should you have any questions regarding this letter, please contact me, or, if you are represented by counsel, he or she may contact me at the above location.

Very truly yours,

OFFICE OF ATTORNEY GENERAL
DEREK SCHMIDT
