NOW on this 15 day of October, 2019, the above-captioned matter comes before the Kansas Behavioral Sciences Regulatory Board ("Board") by and through Assistant Attorney General Jane E. Weiler on behalf of the Board, and by agreement of Shaun Ball, ("Licensee"), for the purposes of resolving the above-captioned matter.

The parties knowingly and voluntarily agree as follows:

1. On December 29, 2009, the Board issued Licensee an original Licensed Master Social Worker ("LMSW") No. 7664. This license expires on June 30, 2019. Licensee is currently, and was at all times relevant to this Consent Agreement and Final Order, an LMSW within the meaning of the laws relating to regulation of social workers, K.S.A. 65-6301 *et seq.*

CASE NO. 19-MS-0139

2. On or about March 25, 2019, a Report of Alleged Violation was received by the Board alleging Licensee may have violated certain statutes and regulations governing the practice of licensed master social workers in the State of Kansas.

3. From on or about November 16, 2016, through March 12, 2019, Licensee was employed at the Four County Mental Health Center ("FCMHC"), in Independence, Kansas.

4. On the morning of March 12, 2019, Licensee met with a representative of the human resources department for FCMHC. Shortly thereafter, Licensee submitted to FCMHC his letter of resignation that was effective immediately.

5. Prior to his submission, Licensee failed to adequately provide notice of his resignation to his employer or his clients.

APPLICABLE LAW

6. K.S.A. 65-6302(b): "Social work practice" means the professional activity of helping individuals, groups or communities enhance or restore their capacity for physical, social and economic functioning and the professional application of social work values, principles and techniques in areas such as psychotherapy, social service administration, social planning, social work consultation and social work research to one or more of the following ends: Helping people obtain tangible services; counseling with individuals, families and groups; helping communities or groups provide or improve social and health services; and participating in relevant social action. The practice of social work requires knowledge of human development and behavior; of social, economic and cultural institutions and forces; and of the interaction of all these factors. Social work practice includes the teaching of practicum courses in social work and includes the diagnosis and treatment of mental disorders as authorized under K.S.A. 65-6306 and 65-6319, and amendments thereto.

7. K.S.A. 65-6311(a)(9): The board may refuse to issue, renew or reinstate a license, may condition, limit, revoke or suspend a license, may publicly or privately censure a licensee or may impose a fine not to exceed \$1,000 per violation upon a finding that a licensee or an applicant for license has been found to have engaged in unprofessional conduct as defined by applicable rules and regulations adopted by the Board. Specifically:

- a. K.A.R. 102-2-7(j): offering to perform or performing services clearly inconsistent or incommensurate with one's training, education, or experience with accepted professional standards for social work.
- b. K.A.R. 102-2-7(mm): failing to notify the client promptly when termination or interruption of service to the client is anticipated.
- c. K.A.R. 102-2-7(nn): failing to seek continuation of service, or abandoning or neglecting a client under or in need of professional care, without making reasonable arrangements for that care.
- d. K.A.R. 102-2-7(oo): abandoning employment under circumstances that seriously impair the delivery of professional care to clients and without providing reasonable notice to the employer.

8. Licensee and the Board mutually desire to enter into this Consent Agreement and Final Order in lieu of further summary and adjudicative proceedings.

9. Licensee understands that by entering into this Consent Agreement and Final Order Licensee waives all rights to further adjudication of facts and law that could be determined pursuant to summary proceedings or a hearing conducted in accordance with the Kansas Administrative Procedures Act, K.S.A. 77-501 *et seq.* in relation to Case No. 19-MS-0139.

10. Licensee waives the right to file a motion for reconsideration and all rights of appeal pursuant to the Kansas Act for Judicial Review, K.S.A. 77-601 *et seq.* in relation to Case No. 19-MS-0139.

11. The Board accepts Licensee's waiver of rights and stipulations.

ORDER

WHEREFORE, the Board finds that the above facts have been established by clear and convincing evidence; and further finds that Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(j), in that Licensee performed inconsistent with the accepted standards of social work when he abruptly resigned from FCMHC without providing adequate notice of his resignation to his employer or to his clients.

Additionally, the Board finds Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(mm), in that Licensee failed to notify his clients promptly that there would be an interruption of services when he resigned effective immediately from his employment.

The Board also finds Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(nn), in that Licensee failed to seek continuation of services for his clients when he resigned effective immediately from his employment.

In addition, the Board finds Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(oo), in that Licensee abandoned his employment when he abruptly resigned from FCMHC without providing adequate notice to his employer, which seriously impaired the delivery of professional care to his clients.

AND WHEREAS Licensee and the Board mutually desire to enter into a Consent Agreement and Final Order in lieu of further adjudicative proceedings to resolve the reported violations.
