SUMMARY PROCEEDING ORDER

NOW, on this 4 day of April, 2022, the above-captioned matter comes before the Complaint Review Committee of the Kansas Behavioral Sciences Regulatory Board (“Board”).

FINDINGS OF FACT

The Board finds that the following facts have been established by a preponderance of the evidence:

1. Stephanie S. Martinez (“Respondent”) was at all times relevant, a Licensed Specialist Clinical Social Worker (“LSCSW”), having been issued LSCSW License No. 5250. This license expires on July 31, 2022. Respondent is currently, and was at all times relevant an LCSSW within the meaning of the laws relating to regulation of social workers, K.S.A. 65-6301 *et seq.*
2. On or about August 27, 2021, a Report of Alleged Violation was received by the Board alleging Respondent may have violated certain statues and regulations governing the practice of licensed specialist clinical social workers in the State of Kansas.

3. From approximately October 2017 to January 2018, Respondent provided services to her client while she was employed and living in South Dakota.

4. In April 2019, Respondent relocated to Kansas. After moving to Kansas, this client contacted her, and she allowed this former client to move into her basement in July 2019.

5. Eventually in March 2020, Respondent entered into a romantic relationship with her former client.

6. Additionally, Respondent acknowledged that she had a personal relationship with this former client.

APPLICABLE LAW

7. Pursuant to K.S.A. 77-537(a) of the Kansas Administrative Procedure Act ("KAPA"), a state agency may use summary proceedings, subject to a party's request for a hearing on the order, if:

- (1) The use of those proceedings in the circumstances does not violate any provision of law;
- (2) the protection of the public interest does not require the state agency to give notice and an opportunity to participate to persons other than the parties;
- (3) based upon an investigation of the facts by the state agency, beyond receipt of the allegations, the state agency believes in good faith that the allegations will be supported to the applicable standard of proof, provided however that an alleged failure to meet the standards set forth in this subsection shall not be subject to immediate judicial review and shall not invalidate any later agency action that has been supported to the applicable standard of proof; and
- (4) the order does not take effect until after the time for requesting a hearing has expired.

8. Pursuant to K.S.A. 65-6302(b): "Social work practice" means the professional activity of helping individuals, groups or communities enhance or restore their capacity for physical, social and economic functioning and the professional application of social work values, principles and techniques in areas such as psychotherapy, social service administration, social planning, social work consultation and social work research to one or more of the following ends:

Helping people obtain tangible services; counseling with individuals, families and groups; helping communities or groups provide or improve social and health services; and participating in relevant social action. The practice of social work requires knowledge of human development and behavior; of social, economic and cultural institutions and forces; and of the interaction of all these factors. Social work practice includes the teaching of practicum courses in social work and includes the diagnosis and treatment of mental disorders as authorized under K.S.A. 65-6306 and 65-6319, and amendments thereto.

9. Pursuant to K.S.A. 65-6311(a)(5): The board may refuse to issue, renew or reinstate a license, may condition, limit, revoke or suspend a license, may publicly or privately censure a licensee or may impose a fine not to exceed \$1,000 per violation upon a finding that a licensee or an applicant for license has violated a provision of the social workers licensure act or one or more rules and regulations of the board. Specifically, K.A.R. 102-2-7(j) offering to perform or performing services clearly inconsistent or incommensurate with one's training, education, and experience and with accepted professional standards for social work.

CONCLUSIONS OF LAW

10. Respondent is in violation of K.S.A. 65-6311(a)(5), as defined in K.A.R. 102-2-7(j), in that Respondent performed services clearly incommensurate with her training, education, and experience in that she allowed her former client to move into her basement, and later she entered into an intimate relationship with this former client.

ORDER

WHEREFORE, based on the above Findings of Fact and Conclusions of Law and pursuant to the authority granted by K.S.A. 65-6311(a) and K.S.A. 77-537, the Complaint Review Committee of behalf of the Board finds that the Kansas LSCSW license of Respondent Stephanie S.
