

# Information for Reinstatement of Addiction Counselor Licenses

If an addiction counselor license is allowed to lapse through lack of renewal, the license must be reinstated, regardless of the amount of time that has elapsed since the license expired.

As required in statute and regulation, all Persons who allow their license to lapse are required to submit documentation of continuing education totaling 30 hours within the 2 years prior to applying for reinstatement of license. This documentation must include 3 hours of training in professional ethics, and if licensed at the masters or clinical level, 6 hours of Diagnosis and Treatment of a substance use disorder. This continuing education must meet all current continuing education requirements, and focus on addiction counseling skills, values, practice or knowledge.

The reinstatement process may NOT be circumvented by applying for a new license with a request for waiver of the examination.

If you have not completed the required continuing education to reinstate your license, you may apply for a six-month reinstatement temporary license, which will allow you to practice up to six months while you complete the required continuing education for your permanent license to be reinstated. You will submit the application and pay \$25 for the reinstatement temporary license.

In order to reinstate your license, you must submit the following materials to the Board office for review:

- > The completed and signed Application for Reinstatement of Addiction Counselors license
- If you have completed all the required continuing education, The completed and signed Continuing Education Report Form with <u>certificates of attendance</u> and all other supporting documentation for continuing education. If you would like your original certificates returned, please include a self-addressed stamped envelope.

# You will be notified by email when your application has been reviewed and the reinstatement fee is due.

If you have questions about the reinstatement process, please feel free to contact the Board office, or visit the website at <u>www.ksbsrb.ks.gov</u> for further information.

David B. Fye, JD, Executive Director
