Instructions

Please read all instructions and review the statutes and regulations, before beginning to complete the application. The statutes and regulations can be found on our website, www.ksbsrb.ks.gov.

1. Application: Answer all questions completely and accurately. The burden of proof in satisfying the Board that you are eligible for licensure is upon you. Thus, if you have been convicted of a felony or if there have been other past or current events that potentially raise questions about your ability to merit the public trust, you will be required to provide additional information and may be asked to appear before the Board to explain these matters.

2. Fee: The $50.00 application fee must accompany your application. Make check or money order payable to "Behavioral Sciences Regulatory Board" or "BSRB". Credit card or cash, for the exact amount, are also accepted. ALL FEES ARE NON-REFUNDABLE.

3. Academic Background form: You must complete the Academic Background form and submit it with your completed application.

4. Graduate Practicum Review form: You must complete the Graduate Practicum Review form and submit it with your completed application. This form must be completed by the program director who was the academic supervisor for your practicum experience. The completed form should be returned to you in a sealed envelope with their signature across the seal. (see example on second page of instructions)

5. Transcript: As part of the application process, an official transcript mailed or emailed directly from the Registrar’s office is required. Only transcripts received directly from the university can be accepted.

6. Professional References: Three references are required as part of your completed application packet. The professional reference form included in the application packet will need to be copied.  
   a) Each reference should return the completed form to you in a sealed envelope with their signature across the seal. The three reference forms will need to be included when your application is submitted to the Board office. NOTE: It is very important that references sign across the seal of the envelope to assure the Board of the confidentiality and integrity of the referencing process.
   b) One of the references must be from the on-site supervisor from your current or most recently completed graduate addiction counseling practicum. If this person is not available, the director of the field education program or a designated person who has knowledge of your practicum based on your program records shall complete the form.
   c) The additional two references must be authorized by law to practice master’s addiction counseling or to practice in a related field at the master’s level.

7. Out-of-State Verification: If you are or have ever been licensed, registered, or certified in one of the behavioral or health sciences in another state, the Out-of-State Verification Form will need to be completed by the other state(s) licensing board. This form needs to be returned directly to the Board office. Only forms received directly from the other state(s) licensing board can be accepted.
8. **Review:** It is extremely important for you to understand that the Board cannot determine whether you are eligible to sit for the examination until all of the application materials have been received and approved by the Board office.

Please allow 30 days for review of your application. You may now check the status of your application on our website [www.ksbsrb.ks.gov](http://www.ksbsrb.ks.gov), under “Applicants.”
