The statutes and regulations can be found either in the rules and regulations handbook or from our website, [www.ksbsrb.org](http://www.ksbsrb.org)
2. Answer all questions completely and accurately. The burden of proof in satisfying to the Board that you are eligible for licensure is upon you. Thus, if you have been convicted of a felony or if there have been other past or current events that potentially raise questions about your ability to merit the public trust you may be required to appear before the Board to explain these matters.
3. Type or print your responses in black ink.
4. The \$50.00 application fee must accompany your application. Your check or money order should be made payable to the "Behavioral Sciences Regulatory Board" or "BSRB". **ALL FEES ARE NON-REFUNDABLE.**

Please direct the school to send the transcript directly to the Board office. **We will not accept transcripts sent directly from the applicant.**
6. As part of your completed application packet you are required to submit three (3) completed Professional Reference Forms. After completing Section 1, mail these forms directly to each of the three individuals who will serve as your professional references. Each of your references should complete the reference form and return it to you. You will then include these reference forms with your application and any other required material to the BSRB. NOTE: The individuals referencing you should seal the envelopes and then sign the back of the sealed envelopes so that the Board is assured of the confidentiality and integrity of the referencing process. **The Board will NOT accept references that are not in sealed, signed envelopes.**
  - a) All of the professional references shall be familiar with your work as a counselor and must be able to address the applicant's professional conduct, competence, and merit of the public trust. The references must be licensed as an LPC or licensed in a related field, except the person completing the form if your onsite practicum supervisor is unavailable. They cannot be related to you.
  - b) One of the references must be from the individual(s) that provided the direct clinical supervision of your on-site graduate program practicum or internship. If this person is unavailable, the graduate program director or any person with knowledge of the applicant's practicum shall submit the reference.
7. It is extremely important for you to understand that the Board cannot determine whether you are eligible to sit for the examination until all the key application materials have been received and approved by the BSRB.
8. Once you are eligible to sit for the examination, you will be provided information about scheduling for the examination and can contact the examination center for questions regarding the examination.
9. If you have met all the requirements for licensure except passage of the examination, you may request a temporary license. **NOTE: We must have your official transcript on file before we can issue a temporary license.**
10. If you are or have ever been licensed, registered, or certified as a professional counselor in another state, please have the Out-of-State Clearance Form completed by your former state board. You will need to send the Out-of-State Clearance Form to the state(s) where you were licensed, registered, or certified as a professional counselor. They should return this form directly to us.
