

Information for Reinstatement of Psychology Licenses

If a psychology license is allowed to lapse through lack of renewal, the license must be reinstated, regardless of the amount of time that has elapsed since the license expired.

As required in statute and regulation, all psychologists who allow their license to lapse are required to submit documentation of continuing education totaling 50 hours within the 2 years prior to applying for reinstatement of license. This documentation must include 3 hours of training in professional ethics, and 6 hours of Diagnosis and Treatment for all levels of licenses. This continuing education must meet all current definitions of continuing education, and focus on psychology skills, values, practice or knowledge.

The reinstatement process may NOT be circumvented by applying for a new license with a request for waiver of the examination.

In order to reinstate your psychology license, you must submit the following materials to the Board office for review:

- The completed and signed Application for Reinstatement of Psychology license
- Fees totaling \$300.00, which includes \$150.00 for late renewal, and \$150.00 for reinstatement of license. This fee must be submitted at the time of application for reinstatement, Please see Appendix A for payment instructions.
- The completed and signed Continuing Education Report Form with original certificates of attendance and all other supporting documentation for continuing education. **If you would like your original certificates returned, please include a self-addressed stamped envelope.**

If you have questions about the reinstatement process, please feel free to contact the Board office, or visit the website at www.ksbsrb.ks.gov for further information.
