## **Clinical Supervision**

Clinical supervision shall be provided throughout the entirety of the postgraduate supervised professional experience.

-- Absent extenuating circumstances approved by the board, supervision must be face-to-face either in person, or if confidentiality is technologically protected, by videoconferencing, as specified:

-- One continuous hour, or two half-hour sessions, of clinical supervision for each 15 hours of direct client contact

-- At least 50 hours of one-on-one, individual supervision

-- up to 100 (50 if bill passes) hours of supervision with one supervisor and no more than six supervisees

-- at least two separate clinical supervision sessions per month, at least one of which shall be one-on-one, individual supervision

- Telephonic supervision may be used under extenuating circumstances, approved by the board

## **Definitions**

-- The definition of extenuating circumstances is still being written

-- One hour (50 minutes) and one-half hour (25 minutes) will be in the definition regulations. This will additionally affect the definition in the continuing education regulation, as all hours will be 50 minutes.
