VII. New Business

- A. Advisory Committee Membership.** The Advisory Committee discussed applicants for the Advisory Committee. The Advisory Committee recommended Mahsa Maghsoudi, Amanda Wade and Samantha Holloway be added to the Advisory Committee. - B. Discussion on Regulation of Artificial Intelligence.** The Executive Director noted that other state agencies in Kansas, and similar agencies in other states, are beginning to discuss how the regulatory boards can be helpful in regulating the use of artificial intelligence by practitioners. The Board asked each of the Advisory Committees to begin the conversation on this topic and refer any recommendations back to the Board. The Advisory Committee will discuss this topic in more detail at a future meeting.
- C. Discussion on Adding Description of Each Profession to BSRB Website to Inform Public of the Differences Between the Professions.** The Executive Director stated the Board would like additional text to be added to the BSRB website, describing the professions regulated by the Board in more detail, to assist members of the public in understanding the differences between the professions.
