Possible Language to Be Added to BSRB Website to Describe Professional Counseling

“Counseling is a professional relationship that empowers diverse individuals, families and groups to accomplish mental health, wellness, education and career goals.”

- Provided by Edil Torres Rivera on June 3, 2024

“A Licensed Clinical Professional Counselor (LCPC) is a professional who has been qualified to provide psychotherapy and other counseling services. LCPCs are trained to work with individuals, families, and groups to treat mental, behavioral, and emotional problems and disorders. Becoming an LCPC establishes an individual as an expert in the fields of mental health and psychotherapy in the United States.”
